ACREAGE: .45
EXISTING ZONING: RU
PROPOSED ZONING: GC

PC SIGN POSTING: February 06, 2014

Staff Recommendation

Approval

Background

Zoning History

The original zoning as adopted September 7, 1977 was Rural District (RU).

Zoning History for the General Area

The General Commercial District (GC) parcels west of the site were rezoned from RU to C-3 under Ordinance Number 052-03HR (case number 03-057MA). The parcels have been annexed into the Town of Irmo.

Zoning District Summary

The General Commercial (GC) District is intended to accommodate a variety of commercial and non-residential uses characterized primarily by retail, office, and service establishments oriented primarily to major traffic arteries or extensive areas of predominantly commercial usage.

No minimum lot area, except as required by DHEC. The maximum allowed density for residential uses is sixteen (16) dwelling units per acre.

- Based upon a gross density calculation, the maximum number of units for this site is approximately: 7 dwelling units

Direction	Existing Zoning	Use
<u>North:</u>	RU	Residences/Agricultural
<u>South:</u>	RU	Agricultural
<u>East:</u>	RU	Residences/Agricultural
<u>West:</u>	RU/GC	Restaurant/Undeveloped (Town of Irmo)

Discussion

Parcel/Area Characteristics

The parcel has two hundred and eighty (286) feet of frontage along Broad River Road and minimal screening or vegetation. The parcel contains a non-residential, commercially-designed structure with three garage doors and a small office that is operating as a non-conforming minor automobile repair shop (JCA Auto Repair). Broad River Road is a two lane minor arterial road without sidewalks or streetlamps. The immediate area is primarily characterized by scattered, low density, farm-based residential, commercial and agricultural uses.

Public Services

The subject parcel is within the boundaries of Lexington/Richland School District Five (5). H.E. Corley Elementary School is located .77 miles southwest of the site on Chadford Road. Water and sewer is provided by the City of Columbia. There is a fire hydrant located along Broad River Road at the intersection of Koon Road and Broad River Road. The Dutch Fork/Ballentine fire station (station number 20) is located on Broad River Road, approximately .88 miles west of the subject parcel.

Plans & Policies

The 2009 Richland County Comprehensive Plan “Future Land Use Map” designates this area as **Suburban** in the **North West Planning Area**.

Objective: Commercial/Office activities should be located at traffic junctions or areas where existing commercial and office uses are located. These uses should not encroach on established residential areas.

Compliance: The subject property is located at the intersection of Broad River Road and Koon Road and is surrounded by commercial and farm-based residential/agricultural uses. The proposed zoning is in compliance with the recommended objective for Suburban commercial/office activities in the Comprehensive Plan, as the site is located at a traffic junction where existing commercial and of fice uses are located. The proposed zoning would not encroach upon any established residential areas.

Traffic Impact

The 2012 SCDOT traffic count (Station # 147) located east of the subject parcel on Broad River Road identifies 18,800 Average Daily Trips (ADT’s). Broad River Road is classified as a two lane undivided Minor Arterial, maintained by SCDOT with a design capacity of 10,800 ADT’s. Broad River Road is currently operating at Level of Service (LOS) “F”.

There are no planned or programmed improvements for this section of Broad River Road.

Conclusion

The proposed request is in compliance with the recommendations of the Comprehensive Plan as it is situated in the vicinity of commercial uses and zoning districts. The requested zoning is in character with the zoning or existing uses of the adjacent parcels.

For these reasons, staff recommends **Approval** of this map amendment.

Map Amendment Staff Report

PC MEETING DATE: March 3, 2014
RC PROJECT: 14-03 MA
APPLICANT: Preston Young

LOCATION: Cabin Creek Road and Horrell Hill Road

TAX MAP NUMBER: R21615-04-26
ACREAGE: 1.5
EXISTING ZONING: RU
PROPOSED ZONING: OI

PC SIGN POSTING: February 06, 2014

Staff Recommendation

Disapproval

Background

Zoning History

The original zoning as adopted September 7, 1977 was Rural District (RU).

Zoning District Summary

The Office and Institutional District (OI) is intended to accommodate office, institutional, and certain types of residential uses in an area whose characteristics are neither general commercial nor exclusively residential in nature. Certain related structures and uses required to serve the needs of the area are permitted outright or are permitted as special exceptions subject to restrictions and requirements.

No minimum lot area, except as determined by DHEC.

Direction	Existing Zoning	Use
<u>North:</u>	RU	Residence
<u>South:</u>	RU	Hopkins Elementary School/Residence
<u>East:</u>	RU	Residence
<u>West:</u>	RU	Residence/Magistrates Office

Discussion

Parcel/Area Characteristics

The site is located near the intersection of Lower Richland Boulevard, Horrell Hill Road and Cabin Creek Road. The parcel has three hundred and seven (307) feet of frontage along Cabin Creek Road, little-to-no slope and scattered residential vegetation. The parcel also has two hundred and twenty one (221) feet of frontage along Horrell Hill Road. The parcel contains a non-residential structure and two residential structures that are unoccupied. Cabin Creek Road is a two lane collector road with sidewalks along the southern side near the School and scattered streetlamps along this section. Horrell Hill Road is a two lane collector road with sidewalks along the eastern side. The immediate area is primarily characterized by residential uses with the institutional use (Hopkins Elementary) south of the site and the Magistrates office located to the west. Otherwise, located to the north, west and east of the subject parcel are single family residential properties.

Public Services

The subject parcel is within the boundaries of Richland School District One. Hopkins Elementary School is south of the site on Cabin Creek Road. Water is provided by well and sewer is provided by septic. There are no fire hydrants located along Horrell Hill Road or Cabin Creek Road. The Hopkins fire station (station number 23) is located on Clarkson Road, approximately 2.2 miles southeast of the subject parcel.

Plans & Policies

The 2009 Richland County Comprehensive Plan “Future Land Use Map” designates this area as **Rural** in the **South East Planning Area**.

Objective: Commercial/Office activities should be located at major traffic junctions where existing commercial and office uses are located and not encroach or penetrate established residential areas. Small scale agricultural related commercial uses, located on-site with residences, are appropriate provided adequate buffering/setbacks are available and the commercial use is in character with the area.

Non-Compliance: The proposed zoning is not in compliance with the recommended objective for rural commercial/office activities in the Comprehensive Plan. The subject property is located at the intersection of Cabin Creek Road and Horrell Hill Road, near the intersection of Lower Richland Boulevard and Cabin Creek Road. However, these roads are designated as collector roads and would not be considered a major intersection. The requested zoning is not in character with the surrounding zoning of the adjacent parcels and developments.

Traffic Impact

The 2012 SCDOT traffic count (Station # 405) located south of the subject parcel on Lower Richland Boulevard identifies 1,900 Average Daily Trips (ADT's). Lower Richland Boulevard is classified as a two lane undivided Collector, maintained by SCDOT with a design capacity of 8,600 ADT's. Lower Richland Boulevard is currently operating at Level of Service (LOS) “A”.

The 2012 SCDOT traffic count (Station # 407) located east of the subject parcel on Cabin Creek Road identifies 1,200 Average Daily Trips (ADT's). Cabin Creek Road is classified as a two lane undivided Collector, maintained by SCDOT with a design capacity of 8,600 ADT's. Cabin Creek Road is currently operating at Level of Service (LOS) “A”.

There are no planned or programmed improvements for this section of Lower Richland Boulevard and/or Cabin Creek Road.

Conclusion

The proposed request is not in compliance with the recommendations of the Comprehensive Plan as it is not located at a major intersection. The requested zoning is not in character with the surrounding zoning of the adjacent parcels and developments.

For these reasons, staff recommends **Disapproval** of this map amendment.

Map Amendment Staff Report

PC MEETING DATE: March 3, 2014
RC PROJECT: 14-04 MA
APPLICANT: Tom Milliken

LOCATION: Farrow Road

TAX MAP NUMBER: R17600-01-12
ACREAGE: 35.05
EXISTING ZONING: RU
PROPOSED ZONING: LI

PC SIGN POSTING: February 06, 2014

Staff Recommendation

Approval

Background

Zoning History

The original zoning as adopted September 7, 1977 was D-1 Development District (the equivalent of the current RU District). With the adoption of the 2005 Land Development Code the D-1 District was removed and the parcel was designated Rural District (RU)

Zoning History for the General Area

The Light Industrial District (M-1) parcels north of the site were rezoned from Development District (D-1) to M-1 under Ordinance Number 100-96HR (case number 96-069MA).

The M-1 parcel west of the site was rezoned from Development District (D-1) to M-1 under Ordinance Number 24-01HR (case number 01-036MA).

The M-1 parcels south of the subject parcel with frontage along Carolina Pines Drive and Marthan Road were rezoned from Development District (D-1) to M-1 under Ordinance Number 068.9-94HR (case number 94-037MA).

The Heavy Industrial District (HI) parcels 17600-01-17 and 24, were rezoned from M-1 to HI under Ordinance Number 026-13HR (case number 13-015MA).

Zoning District Summary

The Light Industrial (LI) District is intended to accommodate wholesaling, distribution, storage, processing, light manufacturing, and general commercial uses. Such uses are usually controlled operations, relatively clean, quiet, and free of objectionable or hazardous elements, such as smoke, noise, odor or dust. In addition, such uses usually operate and/or have storage within open or enclosed structures; and generating no nuisances.

Direction	Existing Zoning	Use
<u>North:</u>	HI/M-1	Adhesives Manufacturing (Intertape Polymer Group)/Undeveloped
<u>South:</u>	RU/GC/M-1	Residential/Undeveloped/Manufacturing (Bose)
<u>East:</u>	RU/GC	Residences/Utilities
<u>West:</u>	M-1	Manufacturing (Spirax Sarco)

Discussion

Parcel/Area Characteristics

The parcel has three hundred and seventy nine (379) feet of frontage along Farrow Road. The parcel is undeveloped, has a gentle slope and vegetation along the fence lines. Farrow Road is a two lane collector road without sidewalks or streetlamps.

The surrounding area is characterized by warehouses, manufacturing, agricultural tree farms, scattered residential and undeveloped parcels. North along Carolina Pines Drive contains a number of M-1 District zoned parcels and undeveloped parcels. The Belk regional distribution center is located along Belk Court located to the north. West of the subject parcel is Spirax Sarco and Interstate 77, while east of the subject parcel are some residential properties. The vast majority of properties along Farrow Road are zoned General Commercial District (GC), Heavy Industrial District (HI) or M-1, Light Industrial District. However, along Farrow Road remains a few properties zoned Rural District (RU).

As the request has the potential to modify the inventory of industrially zoned properties in the County and as a result, potentially alter the local tax base and service related job inventory for the immediate area, the Director of Economic Development for Richland County was consulted for input. The Director's comments are identified as follows.

- The property is located adjacent to an interstate, which is critical for manufacturing operations.
- There is a need for additional LI zoning in Richland County to be able to locate these types of operations.
- The property is adjacent to existing manufacturing/distribution uses.

Public Services

The subject parcel is within the boundaries of Richland School District Two. Westwood High School is located .92 miles west of the subject parcels on Turkey Farm Road. Sandlapper Elementary School is 1.5 miles east of the subject parcels on Longtown Road. Water and sewer is provided by the City of Columbia. There are two fire hydrants located along Farrow Road located north and south of the subject parcel. The Killian fire station (station number 27) is located on Farrow Road, approximately 2.25 miles southeast of the subject parcel.

Plans & Policies

The 2009 Richland County Comprehensive Plan “**Future Land Use Map**” designates this area as **Priority Investment Area** in the **North East Planning Area**.

Objective: Industrial activities should be compatible with the surrounding land uses. Those that produce noise, smoke, or odors should not locate adjacent to residential uses. Proposed industrial uses should consider sites with adequate room for expansion and existing infrastructure. Sites will be considered during the rezoning process and periodically updated.

Compliance: The site is located three thousand seven hundred and fifty four (3,754) feet from the Interstate 77 interchange at Wilson Boulevard. The proposed zoning is in compliance with the recommended objective for Industrial activities in the Comprehensive Plan, as the site is located where other existing industrial uses are located. Although several small parcels to the east are zoned RU, there appears to be adequate space to buffer the site from the remaining few adjacent residential parcels and uses. Additionally, there is existing infrastructure in the area.

Traffic Impact

The 2012 SCDOT traffic count (Station # 285) located south of the subject parcel on Farrow Road identifies 7,800 Average Daily Trips (ADT's). Farrow Road is classified as a two lane undivided Collector, maintained by SCDOT with a design capacity of 8,600 ADT's. Farrow Road is currently operating at Level of Service (LOS) “C”.

There are no planned or programmed improvements for this section of Farrow Road.

Conclusion

The site is suitable for industrial uses due to its proximity to other sites zoned and utilized industrially. The area has adequate infrastructure, water, sewer, fire protection and transportation facilities to support existing and proposed industrial uses. A change to the LI District would not have negative impacts on the existing infrastructure or uses. Based upon the existing industrial uses in the vicinity and the access available to Interstate 77, the proposed LI District would be in character with development for the area.

For these reasons, staff recommends **Approval** of this map amendment.

Richland County Planning & Development Services Department

Map Amendment Staff Report

PC MEETING DATE: March 3, 2014
RC PROJECT: 14-05 MA
APPLICANT: Bill Dixon

LOCATION: Sloan Road

TAX MAP NUMBER: 20100-03-17, 21, 23, 30
ACREAGE: 6.32 acres
EXISTING ZONING: RU
PROPOSED ZONING: RS-LD

PC SIGN POSTING: February 6, 2014

Staff Recommendation

Approval

Background

Zoning History

The original zoning as adopted September 7, 1977 was D-1 Rural District (RU). With the adoption of the 2005 Land Development Code the D-1 District was removed and the parcel was designated Rural District (RU)

Zoning District Summary

The Residential Single Family Low Density District (RS-LD) "is intended as a single family, detached residential district, and the requirements for this district are designed to maintain a suitable environment for single family living. Non-single family development normally required to provide the basic elements of a balanced and attractive residential area is also permitted."

Minimum lot area is 12,000 square feet, or as determined by DHEC, but in no case shall it be less than 12,000 square feet. The maximum density standard: no more than one principal dwelling unit may be placed on a lot except for permitted accessory dwellings.

- Based upon a gross density calculation, the maximum number of units for this site is approximately: 22 dwelling units.
- Based upon a bonus density calculation utilizing the open space design standards, the maximum number of units with **the maximum allowable bonus density** of fifteen (15) percent for this site is approximately: 25 dwelling units.

Direction	Existing Zoning	Use
<u>North:</u>	RS-LD	Undeveloped
<u>South:</u>	RS-LD	Residences/Lake and Open Space
<u>East:</u>	RM-HD/RU	Multi-Family/Multi-Family
<u>West:</u>	RS-LD/RU/RS-LD	Residence/Undeveloped/Church

Discussion

Parcel/Area Characteristics

The parcels contain a combined eight hundred and forty eight (848) feet of frontage along Sloan Road, a two-lane, residential collector facility. The subject parcels have little slope, were partially cleared and remain mostly wooded and undeveloped. Otherwise, the property does not have sidewalks, with the exception of the eastern parcel. The surrounding area is characterized by residential parcels, both single- and multi-family, undeveloped wooded tracts, a place of worship and developed subdivisions (e.g. Spring Valley and Clear Springs).

Public Services

The subject parcel is within the boundaries of Richland School District Two. Lonnie B Nelson Elementary School is located 1.1 miles east of the subject parcel on North Brickyard Road. The Killian fire station (number 27) is located 1.8 miles northwest of the subject parcel on Farrow Road. There are fire hydrants located along the south side of Sloan Road. The City of Columbia is the water service provider and sewer would be provided by East Richland County Public Service District. The proposed map amendment would not negatively impact public services or traffic.

Plans & Policies

The 2009 Richland County Comprehensive Plan “Future Land Use Map” designates this area as **Suburban** in the **North East Planning Area**.

Objective: Residential areas are encouraged to contain a mix of residential and civic land uses. Existing single family developments may be adjacent to multifamily or a PDD including a buffer from higher intensity uses. Residential developments should occur at medium densities of 4-8 dwelling units per acre.

Compliance: The RS-LD zoning district permits a minimum 12,000 square foot lots or 3.6 dwelling units per acre, which is closer to the recommended density of the Comprehensive Plan than allowed under the current RU District.

Traffic Impact

The 2012 SCDOT traffic count (Station # 707) located west of the subject parcels on Sloan Road identifies 5,400 Average Daily Trips (ADT’s). Sloan Road is classified as two lane undivided collector road, maintained by SCDOT with a design capacity of 8,600 ADT’s. Sloan Road is currently operating at Level of Service (LOS) “B”.

The 2012 SCDOT traffic count (Station # 445) located east of the subject parcels on Brickyard Road identifies 11,400 Average Daily Trips (ADT’s). Brickyard Road is classified as two lane undivided collector road, maintained by SCDOT with a design capacity of 8,600 ADT’s. Brickyard Road is currently operating at Level of Service (LOS) “E”.

The 2012 SCDOT traffic count (Station # 438) located southwest of the subject parcels on Hardscrabble Road identifies 19,500 Average Daily Trips (ADT's). Hard Scrabble Road is classified as two lane undivided minor arterial road, maintained by SCDOT with a design capacity of 10,800 ADT's. Hardscrabble Road is currently operating at Level of Service (LOS) "F".

There are no planned or programmed improvements for this section of Brickyard Road or Sloan Road.

The section of Hardscrabble Road from Farrow Road to Lake Carolina Boulevard has been identified for widening from two lanes to five lanes. Total cost of the project is estimated at \$29,860,800 and is expected to be funded by the Penny Sales Tax effort.

Conclusion

Given the fact that most of the surrounding subdivisions are zoned RS-LD and developed as such, along with the other residential developments of similar design in the vicinity, staff is of the opinion that the proposed rezoning is in character with existing development and is compatible with the adjacent uses and zoning districts. Staff believes the proposed request is in compliance with the Comprehensive Plan recommendations for Suburban development.

Based upon this rationale, staff recommends **Approval** of this map amendment.

STATE OF SOUTH CAROLINA
COUNTY COUNCIL FOR RICHLAND COUNTY
ORDINANCE NO. ___-14HR

AN ORDINANCE AMENDING THE RICHLAND COUNTY CODE OF ORDINANCES; CHAPTER 26, LAND DEVELOPMENT; ARTICLE V, ZONING DISTRICTS AND DISTRICT STANDARDS; SO AS TO ALLOW UTILITY SERVICE AREAS AND UTILITY SERVICE FACILITIES IN THE RR (RURAL RESIDENTIAL), RS-E (RESIDENTIAL, SINGLE-FAMILY – ESTATE), RS-LD (RESIDENTIAL, SINGLE-FAMILY – LOW DENSITY), RS-MD (RESIDENTIAL, SINGLE-FAMILY – MEDIUM DENSITY), RS-HD (RESIDENTIAL, SINGLE-FAMILY – HIGH DENSITY), MH (MANUFACTURED HOME RESIDENTIAL), RM-MD (RESIDENTIAL, MULTI-FAMILY – MEDIUM DENSITY), RM-HD (RESIDENTIAL, MULTI-FAMILY – HIGH DENSITY), ZONING DISTRICTS.

Pursuant to the authority granted by the Constitution and the General Assembly of the State of South Carolina, BE IT ENACTED BY THE COUNTY COUNCIL FOR RICHLAND COUNTY:

SECTION I. The Richland County Code of Ordinances; Chapter 26, Land Development; Article V, Zoning Districts and District Standards; Section 26-87, RR Rural Residential District; Subsection (c), Development Standards; is hereby amended to add a new paragraph to read as follows:

- (12) *Utility service areas and utility service facilities:* Parcels designated for utility service areas and utility service facilities shall be exempt from the minimum lot area and minimum lot width standards of this section.

SECTION II. The Richland County Code of Ordinances; Chapter 26, Land Development; Article V, Zoning Districts and District Standards; Section 26-88, RS-E Single-Family Family – Estate District; Subsection (c), Development Standards; is hereby amended to add a new paragraph to read as follows:

- (12) *Utility service areas and utility service facilities:* Parcels designated for utility service areas and utility service facilities shall be exempt from the minimum lot area and minimum lot width standards of this section.

SECTION III. The Richland County Code of Ordinances; Chapter 26, Land Development; Article V, Zoning Districts and District Standards; Section 26-89, RS-LD Residential, Single-Family – Low Density District; Subsection (c), Development Standards; is hereby amended to add a new paragraph to read as follows:

- (12) *Utility service areas and utility service facilities:* Parcels designated for utility service areas and utility service facilities shall be exempt from the minimum lot area and minimum lot width standards of this section.

SECTION IV. The Richland County Code of Ordinances; Chapter 26, Land Development; Article V, Zoning Districts and District Standards; Section 26-90, RS-MD Residential, Single-Family – Medium Density District; Subsection (c), Development Standards; is hereby amended to add a new paragraph to read as follows:

- (12) *Utility service areas and utility service facilities:* Parcels designated for utility service areas and utility service facilities shall be exempt from the minimum lot area and minimum lot width standards of this section.

SECTION V. The Richland County Code of Ordinances; Chapter 26, Land Development; Article V, Zoning Districts and District Standards; Section 26-91, RS-HD Residential, Single-Family – High Density District; Subsection (c), Development Standards; is hereby amended to add a new paragraph to read as follows:

- (12) *Utility service areas and utility service facilities:* Parcels designated for utility service areas and utility service facilities shall be exempt from the minimum lot area and minimum lot width standards of this section.

SECTION VI. The Richland County Code of Ordinances; Chapter 26, Land Development; Article V, Zoning Districts and District Standards; Section 26-92, MH Manufactured Home Residential District; Subsection (c), Development Standards; is hereby amended to add a new paragraph to read as follows:

- (12) *Utility service areas and utility service facilities:* Parcels designated for utility service areas and utility service facilities shall be exempt from the minimum lot area and minimum lot width standards of this section.

SECTION VII. The Richland County Code of Ordinances; Chapter 26, Land Development; Article V, Zoning Districts and District Standards; Section 26-93, RM-MD Residential, Multi-Family – Medium Density District; Subsection (c), Development Standards; is hereby amended to add a new paragraph to read as follows:

- (12) *Utility service areas and utility service facilities:* Parcels designated for utility service areas and utility service facilities shall be exempt from the minimum lot area and minimum lot width standards of this section.

SECTION VIII. The Richland County Code of Ordinances; Chapter 26, Land Development; Article V, Zoning Districts and District Standards; Section 26-94, RM-HD Residential, Multi-Family – High Density District; Subsection (c), Development Standards; is hereby amended to add a new paragraph to read as follows:

- (12) *Utility service areas and utility service facilities:* Parcels designated for utility service areas and utility service facilities shall be exempt from the minimum lot area and minimum lot width standards of this section.

SECTION IX. Severability. If any section, subsection, or clause of this ordinance shall be deemed to be unconstitutional or otherwise invalid, the validity of the remaining sections, subsections, and clauses shall not be affected thereby.

SECTION X. Conflicting Ordinances Repealed. All ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed.

SECTION XI. Effective Date. This ordinance shall be effective from and after _____, 2014.
