

1. Log in to the etrakit page. For new users from the public, click *Setup an Account* and follow the instructions. For contractors, you must contact Nicole Dail at 576-xxxx, to create a username and password.
2. Once set up, enter your username and password and click *LOGIN*.

3. On the left column under *My Dashboard*, click *Apply for New Project*.

4. Select the Project Type *Major Subdivision Final* from the drop down list.

The image shows a form field labeled 'PROJECT Type' with a dropdown arrow. The dropdown menu is currently open, showing a list of project types, with 'Major Subdivision Final' selected.

This will take you to the Major Subdivision Final Application page.

5. In the space for *Project Name*, type in the name of the project as it is written on the plan.

The image shows a form field labeled '\*Project Name:' with an empty text input box.

6. Under *Application Information*, the first item is *Project Narrative*. Explain what you are proposing so it is clear to the reviewer. Provide any additional information that you would like the reviewer to know and explain here why you may not be including some of the required items on this application.
